The parties in this matter agree to the terms and conditions of the attached stipulation as the final decision of this matter. Accordingly, the Board adopts the Stipulation and makes the following:

FINDINGS OF FACT

1. Dr. William Chalos, born October 16, 1930, is licensed to practice medicine and surgery in the state of Wisconsin pursuant to a license granted on July 31, 1957. While Dr. Chalos was in active practice, he specialized in surgery.
2. On April 3, 1989, Dr. Chalos performed surgery on Patient R.C. to alleviate a herniated disk at level L4-5, and during the operation Dr. Chalos extended the incision to alleviate a herniated disk at level T11-12.

3. Dr. Chalos used a posterior approach in the operation, requiring him to retract the spinal cord to reach the disk at T11-12. During the operation, Dr. Chalos tore the dural sheath at T11-12, and inadvertently caused additional nerve injury at that level.
4. Patient R.C. sustained substantial paralysis, loss of bladder and bowel control, loss of abdominal reflexes, and constant burning pain in both legs as a result of the operation. Subsequent corrective surgery by another surgeon several days later was unsuccessful.
5. There have been no previous actions against Dr. Chalos during his career.

CONCLUSIONS OF LAW

1. The Medical Examining Board has jurisdiction in this matter pursuant to s. 448.02(3), Stats.
2. By performing the operation on Patient R.C. using an approach which required him to retract the spinal cord, Dr. Chalos engaged in a practice which tends to constitute a danger to the health, welfare and safety of a patient, in violation of s. MED 10.02(2)(h), Wis Admin. Code.

ORDER

Now, therefore, the license previously granted to William Chalos, M.D., is **LIMITED**, effective on the date of this Order, by the condition that Dr. Chalos may not perform any surgery on any patient above the level of the lumbar spine.

It is further ordered that pursuant to s. 448.02(4), Stats., if the Board determines that there is probable cause to believe that respondent has violated any term of this Final Decision and Order, the Board may order that the license and registration of respondent be summarily suspended pending investigation of the alleged violation.

Dated this 27th day of July, 1995.

5. If the terms of this stipulation are not acceptable to the Board, the parties shall not be bound by the contents of this stipulation, and the matter shall be returned to the Division of Enforcement for further proceedings.
